Learn more about Made in Indiana and Register FREE at <http://mep.purdue.edu/made>

Featured Indiana Manufacturer:

American Electronic Components, Inc.

About Company

American Electronic Components Inc. (AEC) www.aecensors.com, founded in 1935 as Durakool. Today we are a global leader providing design, manufacturing and supply solutions comprising components and systems to the electrical and electronic marketplace world-wide. Specialists in switching, sensing and hermetic seal solutions, the company has a wide portfolio of technologies and over 80 years applications experience.

At AEC our Team has a "CAN DO" attitude and we are ready to tackle your most challenging applications. If you require further information, we would be very happy to hear from you.

Location:
Elkhart, IN
